### -: Overview :-

As one of the largest and most iconic wonders of the world and a "must visit" travel destination, Egypt is a location that should be on every adventurer's list – and our Egypt holidays can help you tick it off. Pyramids rise above sun-baked sands. The Sphinx stares, unblinking, into a relentlessly blue sky. Boats wend their way down the waters of the Nile. Traders hawk their wares in the dusty bazaars. In many ways, Egypt seems timeless, unchanging.

Throughout history, its cultural wonders have attracted travellers, archaeologists, and treasure hunters, from the famous sites of ancient Thebes and Aswan to the mighty architectural feats of Cairo. Our Egypt tours are shaped by the country's glorious past; you will learn all about the pharaohs and marvel at the Pyramids, with Trip Makerz you could also be cruising along the Nile in a spectacular five-star boat, exploring the less-visited temples of Upper Egypt or sailing a traditional felucca. When you board one of our exquisite cruises on your trip to Egypt, you will experience an array of sights like no other. As we travel upstream together, you'll be able to watch the locals go about their normal daily lives as well as visit the breath-taking Edfu and Kom Ombo temples. With lush green banks and stunning sunsets over the Nile, this adventure holiday in Egypt is an unforgettable experience

## **ASWAN – BOARDING NILE CRUISE**

**DAY 4**

We will detrain in Aswan in the morning. In ancient times, the town was legendary as the entrance to the kingdom of Nubia. Today it's still something of a frontier town. With its mixed population of Egyptians and Nubians, Aswan is quite unlike any other town in the country, and a fascinating place to visit. We begin with the visit to Philae Temple which was relocated by UNESCO to Aglika Island after it became evident that the original site of Philae would submerge on completion of the Aswan High Dam. It represents a magnificent and enduring testament to both ancient and modern engineering. After the tour, check in to your 5 Star Nile Cruise. Later in the day, we enjoy a sunset sail on a felucca, a traditional wooden sailing boat. Feluccas have been a fixture on the Nile River for centuries and are used in the protected waters of the Red Sea and eastern Mediterranean. The Felucca's deck is strewn with soft colourful cushions and rugs and equipped with a canopy that offers shade and protection.

Built by Ramses II the two temples are certainly some of the most spectacular in Egypt. Originally on the banks of the Nile, the temples were raised to a new site above the lake in the late 1960s, as the waters from the new Lake Nasser rose behind the Aswan High Dam. The four great seated statues of Ramses II stare east towards the rising sun. Later return to Cruise. Sail to Kom Ombo.
